

## RUSH-DOKE.

age of Two Popular Young People at Hudson Recently.

January 11.—The residence of C. D. Doke was the scene of a marriage Tuesday evening. A. A. Rush led to hymeneal's altar Vella Doke, the accomplished daughter of Mr. and Mrs. C. C. Doke. The bride had been beautifully and artistically decorated for the occasion, with a perfect bower of roses, holly and other evergreens. Long before the appointed hour the parlor was crowded to its fullest capacity. Prof. Daymond presided at the piano and promptly at 7:30 o'clock the bridal party entered, marching to the sweet strains of the "Wedding Bell March." The party was led by Miss Frankie Sheffield and Pamna Doke, the candle bearers, and Herbert Weeks and Miss Donnie Doke, followed by Louis Abbott and Miss Annie Doke and little Emma Yancey and Catherine Sheffield, the flower girls, who spread sweet flowers in front of the bride and groom.

The picture was a pleasing one—the background of evergreens and the bright young faces and beautiful dresses upon which the light cast its brilliant rays, all conspired to form a picture long to be remembered by those who were present.

The ceremony was performed by Rev. S. W. Sheffield, former pastor of the church here.

After the ceremony the bridal party, together with the family and friends, repaired to the home of the bride's parents. After congratulations had been showered upon the happy pair, a sumptuous supper was spread.

The bride is an accomplished young lady, and Mr. Rush is to be congratulated upon his success in securing such a prize.

The groom is a prosperous orange grower of Port Orange.

They were the recipients of many useful and costly presents.

## MICANOPY'S NEW INDUSTRY.

H. M. Sherrouse Constructing Fine Mill—Contemplated Improvements.

The bustling town of Micanopy appears to be enjoying her proportion of the prosperity which is now evident in every section of the county.

Among the improvements at Micanopy which is probably of the greatest magnitude is the erection of the big veneering mill of H. M. Sherrouse, who has almost completed the factory, and expects to have the plant in operation within the next three weeks. Mr. Sherrouse has for several years conducted a small mill at Micanopy, which appeared to meet the demand; but realizing the rapidly increasing production of fruit and vegetables, he felt that his present plant would not be sufficient, hence with commendable energy he is constructing a new and much larger mill, which will be equipped with all modern machinery for the manufacture of crates, boxes and baskets.

With the erection of the proposed ice plant by the Diamond Ice Company of this city and other improvements which are contemplated, Micanopy will soon enjoy a position in the front rank of commerce and manufacture in this section.

## A Fine Catch.

Mr. Whitmore of Bowling Green, Ky., who is known among his friends at the Home as "the dead game sport," went fishing to Prairie Creek with C. D. Schafer yesterday and retained his reputation as far as the "sport" was concerned, although Mr. Schafer was not far behind him.

These disciples of Isaac Walton, succeeded, after a few hours' sport, in landing about seventy-five pounds of fine fish of all varieties, including trout, pickerel, bream, perch, etc. The load was so heavy that it was a difficult matter to lift it. The fish were taken to the Home, where the guests will feast on members of the finny tribe to their hearts' content.

Mr. Whitmore is delighted with his trip, and says he believes Florida has the best fishing grounds in the United States.

Rev. Carlisle P. B. Martin, L. L. D., of Waverley, Texas, writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm, which produces a cough, and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung trouble." 25c, 50c and \$1.00. Sold by W. M. Johnson.

## NAGGING PAINS

Newport News, Va., July 22, 1903.

Last summer while recovering from illness of fever, I had a severe attack of inflammatory Rheumatism in the knees, from which I was unable to leave my room for several months. I was treated by two doctors and also tried different kinds of liniments and medicines which seemed to relieve me from pain for awhile, but at the same time I was not any nearer getting well. One day while reading a paper I saw an advertisement of S. S. S. for Rheumatism. I decided to give it a trial, which I did at once. After I had taken three bottles I felt a great deal better, and I still continued to take it regularly until I was entirely cured. I now feel better than for years, and I cheerfully recommend S. S. S. to any one suffering from Rheumatism. 613 32d St. CHAS. E. GILDERSLER.

Rheumatism is caused by uric acid or some other acid poison in the blood, which when deposited in the muscles and joints, produce the sharp, cutting pains and the stiffness and soreness peculiar to this disease. S. S. S. goes directly into the circulation, all irritating substances are neutralized and filtered out of the system, the blood is made pure and the general health is built up under the purifying and tonic effects of the vegetable remedy.

Write for our special book on Rheumatism which is sent free. Our physicians will advise without charge all who will write us about their case.

## New Store at Rochelle.

E. F. Zetrouer, who was born and reared in this county, but for the past two or three years residing at Tampa, where he has been engaged in the practice of law, has decided to return to his old home and reside here permanently.

It is announced that Mr. Zetrouer will open a general store at Rochelle, and inasmuch as he is quite popular among the people of that section, it is needless to add that he will enjoy a fine trade.

Keep your eye on Rochelle. The progressive village will soon have three up-to-date general stores, and it is safe to venture that within the next five or six years, at the present rate, it will become one of the most important towns in the county, possibly ranking fourth. Business men appreciate the advantageous location of Rochelle, and are not slow in taking advantage of it from a commercial standpoint.

## New Play "Mazpah" a Success.

San Francisco, Jan. 11.—A crowded house greeted the initial performance of "Mazpah" at the Majestic last night, the poetical drama of Ella Wheeler Wilcox and Lunscombe Searle. The play proved quite a success and the criticism in all quarters was favorable, the production being generally accepted as highly meritorious on the part of the authors.

## Gamblers on Boat Held Up.

Decatur, Ala., Jan. 11.—Armed with winchesters, a brace of revolvers and with masks covering their faces, two unknown men late Saturday night robbed six men who were engaged in playing poker on a house boat on the Tennessee river, 30 miles above here. About \$1,000 in diamonds and jewelry and \$400 in cash was secured. The robbers escaped into the mountains and were followed. They are believed to be moonshiners.

## Postmaster Has Disappeared.

Douglas, Ga., Jan. 11.—The little town of Nichols, Ga., on the Atlantic and Birmingham railroad, 13 miles east of Douglas, has a sensation in the mysterious disappearance of its postmaster, Gilbert Meeks, who was last seen at this place three days ago. It is alleged that his office has been checked up and that he is found to be \$2,300 short in his money order department accounts.

## GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Mansell, Maryland Mock, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '99, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 25 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. J. S. Bedford & Co., Special Agents.

## The Pound of Flesh Story.

Eleven different versions of the pound of flesh story exist in the early literature of Europe, none of which is founded on a historical basis, save one founded by the biographer of Pope Sixtus V. The original tale runs as follows: Simon Canada, a Jew, enters into a wager with Sechl, a Christian, staking a pound of his flesh against a large sum of money of the Christian. The Jew loses the wager, and Sechl fastens on his forfeit. The case is referred to the governor of the city, who in turn places it before the pope, who condemns both to lifelong imprisonment, from which they are finally released on the payment of a heavy fine. An Italian, Giovanni Fiorentino, in the sixteenth century was the first to change the roles of the Jew and Christian, and in this altered form the Bard of Avon found the story. The poet himself could scarcely have known any Jews personally, since they were expelled from England 300 years before his time and were not readmitted until after his death. From stage presentations, from descriptions in books or from popular reports, which were always derogatory to the Jewish character, the poet derived his knowledge of the Jew. —Memorah.

## Cured Lumbago.

A. B. Canman, Chicago, writes March 4, 1903: "Having been troubled with lumbago at different times and tried one physician after another; then different ointments and liniments, gave it up altogether. So I tried once more, and got a bottle of Ballard's Snow Liniment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of former soldiers." 25c, 50c and \$1. Sold by W. M. Johnson.

## Pardonable Ignorance.

A young American woman, an author, while seeing Rome for the first time was anxious to include a visit to the tomb of Caesar. Meeting a citizen on the street she inquired, in her best Italian, the location of the tomb. The man looked greatly embarrassed. "I am desolated, signorina," he apologized, speaking in excellent English. "I do not know. Caesar has been dead so long!"

Tom—Did Maud tell you the truth when you asked her age? Dick—Yes. Tom—What did she say? Dick—She said it was none of my business.

## No Benefit No Cost.

If you are weak and worn-out—if you are nervous, irritable, have headache, backache, neuralgia, or periodical pains, it is because you have exhausted your nerve force.

If you cannot sleep, and are thus robbed of the rest which nature demands for the restoration of mental and physical vigor, your system will continue to run down.

Dr. Miles' Nerve restores vitality by soothing and strengthening the nervous system, thus inducing refreshing sleep, and imparting strength and vigor to all the organs of the body.

There are very few instances where Nerve will not benefit; if not, your druggist will refund the money.

"When I began taking Dr. Miles' Nerve I had a very bad stomach, with pain extending far around on my left side—attended with extreme nervousness. I dreaded to have night come, as it was impossible for me to sleep. Everything I ate distressed me. Before I had finished one bottle of Nerve there was such a change that my husband bought six more, which has restored me to health."

MRS. JENNIE SIMMS, Rushville, Ind.

Dr. Miles' Nerve is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
